Instructions

Granny hexagon - Make 2

Chain 4 slst to 1st to form a circle or start with a magic circle.

Round 1: Ch 3, 2 dc in circle, *ch 2, dc 3 in circle, repeat from* for a total of 6 3 dc clusters, ch 2, sl st in 3rd ch of initial ch 3 to join round.

Round 2: Sl st to next ch 2 space, (ch3 +dc2+ ch2+dc3 in ch2 space), *ch1, (dc3+ch2+dc3) in next ch 2 space repeat * for a total of 6 corners with ch 1 space between them, sl st in 3rd ch of initial ch 3 to join round.

Round 3: Sl st to next ch 2 space, (ch3 +dc2+ ch2+dc3 in ch2 space), ch 1, dc 3 in next ch 1 space, ch 1 (dc 3 + ch2+dc3 (corner)) in next ch 2 space, continue around working a dc 3 cluster in

every ch1 space and a corner in every ch 2 space, sl st in 3rd ch of initial ch 3 to join round,

Round 4-7: repeat round 3 working a dc 3 cluster in every ch1 space and a corner in every ch 2 space, sl st in 3rd ch of initial ch 3 to join round

You can change colors every round or at any round I used two colors and changed at round #5

For a larger size work more rounds, for a smaller size use a lighter yarn and smaller hook size and work fewer rounds

Construction

Fold the hexagon with the wrong side inside to form an L shape.

Slst to close the slipper leaving the upper part open.

The Toe

Introduce yarn, ch 1, sc 1 in 1st st, sc 1 in next, and in every st around, Slst to 1st, repeat a second round of sc.

Using the tapestry needle, sew and pull the yarn on the point part of the slipper to form a round point, (this will be the toe) secure the yarn, weave in ends, and cut the yarn.

Finishing

Introduce yarn to the upper open part of the slipper.

Round 1: Ch 1, sc 1 in 1st st and around on each st, slst to 1st st

Round 2: Ch1, dc 1 in 1st st from hook and around on each stitch Slst to 1st st

Round 3: Ch 1, sc 1 in 1st st and around on each st, slst to 1st st

Optional: Chain 10 and slst to last st to form a hanging loop (you can use this as a stocking for Christmas!)
